

# TOUR SUMMARY

PLEASE KEEP IN MIND that these events are organized following a decentralized logic, this document only summarizes informations given by the initiative leaders. For most of them, the meeting point is scheduled directly where the tour will take place : we are not responsible to gather participants, and we let you find the informations you need to reach the places by yourself (maps, means of transportation to reach the place, etc).

Thank you for your cooperation !

## WEDNESDAY :

### Growth and degrowth in Budapest: a tour of places and communities

**Organizer** : Budapest Zöldutak

**Meeting point** : In front of Corvinus University, at 16h15

**Description of the event** : During this walk in the 9th and 8th districts we will see places and meet people with the promise of a better functioning society - with some counterexamples as well. Join if you are curious what initiatives are hidden among the old houses of Budapest and how they survive in the global power of business. Community allotments, food bank, underground club - you name it.

## THURSDAY :

### Zsamboki Biokert/Zsambok's Organic Farm Visit and Practical Introduction to Organic and Biodynamic Farming in Hungary

**Organizer** : Zsamboki Biokert

**Meeting point** : 12:00 in front of Corvinus University in Budapest, travel to Zsambok for the tour departing on the 12:45 pm bus, and return back to Budapest by 6:15 pm

**Please register online before the event** : If at least 10 people have not registered before the event, the organizers will have to cancel the event <https://co-munity.net/node/2006169/>

**Fees** : Participants will be asked to cover their own travel expenses to and from Zsambok (1860 HUF round trip by Volanbusz) Additionally, the Zsamboki Biokert will request 1000 HUF per person fee for each guest attending.

#### **Description of the event:**

We would like to welcome guests to our farm for a visit which will include a practical introduction to our farm, our organic and biodynamic production practices, and our community supported food initiatives in Budapest and the surrounding area. The visit will include:

an introduction to our farm and our team members

a guided visit around our farm with an explanation of organic crop rotations, plant protection, garden planning, composting, human and animal powered garden management, and efficient layout and design of farm infrastructure

a discussion about our marketing activities and the importance of maintain a high level of transparency with our customer-partners.

## Garden City to Transition Town: a visit to Wekerle Estate

**Organizer** : Transition Wekerle

**Meeting point** : 5:15pm. Kós Károly tér, in Wekerle. Participants will have to reach the destination by their own.

How to go there ? Meet at Kalvin Square- Kalvin tér and take Blue Metro to Határ utca, then 10 min walk to meet us in centre of Kós Károly Square at fountain, or 2 minutes travel with 99/194 bus from Határ ut to Kós Károly tér.

**Description** : How does a local community relocalise its food, energy and create more participation in decision-making? Wekerle Estate has its roots in a Utopian vision, where urban-planning met early environmentalism and social innovation and gave rise to a 1km<sup>2</sup> experimental suburb with 60 000 trees and 16 000 fruit trees at the turn of the last century. How do the local people take their past and create momentum for local development now? Visitors will have a chance to walk or cycle around the Wekerle estate and visit sites emblematic of local participation and climate-friendly transition, including some 'hot topics' such as the unused Ady Cinema.

## Mindspace - Interactiv mass open urban game

**Organizer** : Lumen - Mikszáth Kálmán tér 2. Participants have to go there by their own.

**Time** : from 18h30 to 20h30

**Meeting point and fees** : 18h30, Meeting in Lumen. The event will last 2hours.

**Description** : Who cares about the city? What do you think about your city? What do you think your city thinks about you? Come and join us for an urban game and find some answers. Discover the city better, understand the city better. And simply love it even more.

## Open source workshop and bike share workshop

**Organizer** : Cyclonomia / Lastenrad kollektiv

**Meeting point** : 16h30 in Cyclonomia - Katona József u. 39. Participants have to go there by their own. Convivial bike sharing, DIY and cooperative production workshop.

## FRIDAY :

### Közösségi Kertek Éjszakája/The Night of Community Gardens of Budapest :

**Organizer :** Budapesti közösségi kertek színes csapata/Colourful group of community gardeners of Budapest

**Meeting point :** directly at the community gardens, in the evening. Please, refer to the Facebook event for the meeting time and the address of the places : <https://www.facebook.com/events/525968554240160/>. Participants have to go there by their own.

**Description :** Az elmúlt években több mint két tucat közösségi kert jött létre Budapesten. Elhanyagolt lakótelepi zöldterületek, iskolaudvarok, vagy épp üresen álló belvárosi foghíjtelkek alakultak rövid idő alatt helyi és egészséges zöldségek, gyümölcsök megtermelésére, pihenésre, kapcsolatépítésre alkalmas sokfunkciós közösségi terekké. Az Első Közösségi Kertek Éjszakáján több mint 10 kertközösség együttműködésének köszönhetően minden érdeklődő számára lehetőség nyílik bepillantani a városi kertek izgalmas és változatos világába. A csatlakozó kertközösségek – Aranykatica Kert, Békási Kert, Csárdás Kert, Élet-Kert Közösségi Udvar, Erdőkert, Fókusz Női Csoport Kertje, Grundk3rt, Kerthatár Közösségi Kert, Kékvirág Kert, Kisdíó Kert, Leonardo Kert, Lőrinci Kertelő, Polgárőr Közösségi Kert, Zug-kert Több információ FB: <http://bit.ly/2aMAZ8q>

In recent years, more than 20 community garden was established in Budapest. Neglected community areas, empty schoolyards, empty public spaces were converted into gardens with full of vegetables, flowers and fruits and suitable places for relax and convivial community meet-ups. The First Night of Community Gardens of Budapest with more than 10 community gardens give an interesting opportunity to peek into the exciting and diverse world of urban gardens of Budapest. Community Gardens with open programs: Aranykatica Kert, Békási Kert, Csárdás Kert, Élet-Kert Közösségi Udvar, Erdőkert, Fókusz Női Csoport Kertje, Grundk3rt, Kerthatár Közösségi Kert, Kékvirág Kert, Kisdíó Kert, Leonardo Kert, Lőrinci Kertelő, Polgárőr Közösségi Kert, Zug-kert
